Adopting a friend

Terriers are only placed in approved homes. We require anyone interested in adopting to complete an adoption application. We match potential homes with terriers based on the information in the application and with what we have learned about the dog. We may ask for a home visit or, if that is not possible, a photograph or video of the dog's prospective home. Rescue is a volunteer organization and relies upon donations and adoption fees in order to continue our efforts. We ask new owners for an adoption fee to cover veterinary costs, foster care expenses and any fees paid to shelters upon rescue. Adoption fees are \$150.00 for dogs over 1 years of age and \$175.00 for dogs under 1 years of age. New owners must sign a contract that states the dog will be returned to the rescue if it does not work out for any reason.

Mission statement:

We specialize in search and rescue of lost/missing/stolen pets. We rehabilitate, socialize and train animals and find them forever homes ❤️

IMPORTANT

The JRTCA is adamantly opposed to recognition/registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTC membership is limited to individuals who support the JRTCA's principles.

Registration of the

Jack Russell Terrier (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRTCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.
