# A Warm Welcome To All Participants!

Now in our 23<sup>rd</sup> year, we are proud to present a trial for all earthdogs, which includes the majority of the terrier breeds and Dachshunds. Once again, we are happy to accept Purina Farms' gracious offer to host our trial. Enjoy the facilities and please remember to clean up after your dogs! We hope that all who attend will enjoy the events and companionship and leave with a little more knowledge and appreciation of our canine friends!

**PRE-ENTRY REQUIRED** Pre-entries are required this year to be admitted to Purina Farms due to Covid guidelines. **The pre-entry deadline is May 20, 2021.** You are welcome to add classes, bump-ups, etc. during the trial. Entries received or paid after May 20, will be considered post entries. Pre-entry fees are \$12/class. **Post-entries are not allowed for Friday Night and Sunday Racing, Muskrat Racing, Jacks Are Wild! Poker, and Dutch Creek Challenge.** No racing entries will be accepted after May 20 or during the trial (except to fill heats).

Please email [tracymoeearthdogs@gmail.com](mailto:tracymoeearthdogs@gmail.com) or message Tracy Flora with names of who will be attending as we will provide a list of attendees to Purina Farms for admittance.

**Trial Vault:** We are pleased to offer Trial Vault for entries and encourage you to use Trial Vault to make your online entries. The website is <https://www.trialvault.dog> and there is no cost to create an account. If you prefer, you can fill out a manual entry form and send to the mailing address on the entry form..

**Questions on entries or Trial Vault? Please contact Tracy Flora at [tracymoeearthdogs@gmail.com](mailto:tracymoeearthdogs@gmail.com) or (314) 795-5410 or Bonita Knickmeyer at [bknickmeyer@gmail.com](mailto:bknickmeyer@gmail.com).**

**Payments:** Payment must be received by May 20. Payments can be made through PayPal to [payment@moeearthdogs.org](mailto:payment@moeearthdogs.org). Please pay by Friends & Family. Checks can be mailed to Tracy Flora, 1521 La Dina Place, Ellisville, MO 63011. Please make check payable to Missouri Earthdogs.

**Membership:** A Missouri Earthdogs membership is required to participate in the trial to satisfy our non-profit tax status. Individual \$15, Family \$20, or Youth \$10. To add your membership in Trial Vault, you can select from "Extras". If filling out an entry form, please add your membership.

**Certificates:** Our Working Conformation classes require a JRTCA Natural Hunting Certificate, an AWTA Working Certificate, a UKC Working Certificate or a valid working certificate from any working program. A copy of the certificate must be on file in Trial Vault, included with your entries or available for ring steward. If appropriate paperwork is not submitted, the dog will be bumped to Open. No refunds will be given.

**Working classes:** Because we feel strongly about the "working" part of our Memorial Day Bash, we have structured our Working classes to include other terriers. There is a Jack Russell Working Championship, as well as, an Other Terrier / Dachshund Working Championship. The Champion and Reserve of each of these classes will move on to the Missouri Earthdogs Working Champion of Champions.

**Working Ceremony:** We recognize all Jack Russells, Other Earthworking terriers or Dachshunds who have received their JRTCA Bronze Medallion, JRTCA Working Achievement Award or AWTA Veteran Earthdog Award since June 2019. A ceremony/exhibition will be held immediately before Saturday's lunch break (approximately 12:00 pm). We ask that recipients of these awards since June 2019 email a brief description of what their dog has accomplished to Dawn Weiss at [briar1@frontiernet.net](mailto:briar1@frontiernet.net). Please stick around to hear about these wonderful working dogs! See class for details.

And... remember to have fun! In the words of Nick Stevens, English terrierman, "They're just li'l dogs!"

Keep up with the latest news and events!

## **Meet Charlene Schlueter (Saturday)**

I have had Jack Russell Terriers for 26 years. I was lucky and met Bonita Knickmeyer, who took me out hunting when my first Jack Russells were puppies. I was hooked. I learned to dig and hunt the terriers while mine grew up. I grew up hunting Labradors and Llewelin setters. When Joe and I started Hunter's Moon kennel, we were dedicated to producing hunting Jack Russell terriers. It is a standard that has held true over many generations of Hunter's Moon terriers. I have hunted these terriers all over the United States and numerous trips to England and Ireland, for the past 26 years.

I am hunting terriers that are seventh generation Hunter's Moon terriers, having hunted all the generations prior to any breeding. I love watching my terriers in the field, bucking the brush and locating settes. I still get excited when one enters and is baying, I am always amazed at the drive, tenacity and grit of these terriers.

I have been a sanctioned JRTCA conformation judge for several years. I had judged many unsanctioned trials in the United States and England, prior to becoming a JRTCA judge.

## **Meet Colleen Reeder (Sunday)**

Raised with Fox Terriers and coursing Whippets- I got my first Jack Russell in 1985. I met my husband Gary (a custom gunmaker and avid big game hunter) in 1993. Gary introduced me to the world of hunting, and I haven't stopped hunting since. The terrier world has been a huge part of my life; I started showing Jack Russells in the mid 90's, I sit on the board of directors for the JRTCA, I am chairperson for their Breeder's committee, and am currently in their conformation program.

## General Trial Rules

- Classes are for Jack Russell Terriers, Parson Russell Terriers, Other Earthworking terriers & Dachshunds only; except Lure Coursing, Barn Hunt, Brush Hunt and Tunnel Vision 2.0, which are open to other breeds (if they fit in a 9" tunnel),
- Parson Russells may enter Jack Russell classes.
- Other terriers and Dachshunds may only enter designated classes.
- ALL classes are open to intact and spayed/neutered terriers.
- Jack Russell or Parson Russell entries must be within the 10-15" JRTCA height standard (with the exception of pups who have not yet reached 10" in height). Adults under 10" may be in Shorties classes. Measuring devices will be available.
- Puppies are eligible to compete only if they have reached their four month birthday (not 16 weeks) by the date of the trial.
- Bitches in season may not compete in any division and should not be brought to the trial site. Refunds will be provided with veterinarian documentation.
- Puppies under the age of three months are not allowed on the trial site or in RV camping areas.
- No puppy sales allowed on trial site. NO EXCEPTIONS! Anyone violating this rule will be excused from all classes, with no refunds, and asked to leave the trial site.
- Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number, or by the Judge EXCEPT in racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if the classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of any under adult dog entered in Racing may call for measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races). Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. JRTCA height cards will be honored.
- Excessive use of baiting devices by exhibitors is prohibited in the conformation ring and may result in the terrier being excused. "Excessive use" will be at the judge's discretion.
- Entries in the Working division of conformation **MUST** provide the appropriate paperwork with pre-entries or have it available for ring steward. If appropriate paperwork is not provided, the dog will be bumped to Open. No refunds will be given.
- Unsportsmanlike conduct will not be tolerated. Anyone demonstrating such behavior will be asked to leave the trial site and no refunds will be given. "Unsportsmanlike" will be at the discretion of the trial committee/chairperson.
- Overly aggressive dogs, or an owner's failure to control his/her dog, may result in disqualification at the discretion of the judges and/or trial committee/chairperson. Please remember that Purina Farms is a public place!
- Unclaimed ribbons will be available at the Trial office until the close of the trial on Sunday. No ribbons will be mailed.
- Please be understanding! Trial staff, volunteers, and winners of Raffle Butt Passes, will be bumped up in line at some events.
- The judges' decisions are final!

### RACING RULES (See Muskrat Racing division for their rules)

- All entries must be muzzled. Only softy or basket muzzles are allowed. No figure eights or mikki muzzles.
- Any earthdog entering the catch area without a secured muzzle will be disqualified from that race.
- Exhibitors must have entries ready to race, be aware of their classes, and be ready when called.
- Heats will be run as listed on heat sheets. No refunds or reruns for missed heats/classes.
- Once entries are loaded into the starting box, all handlers must proceed to the finish line to be ready to receive their dogs.
- In a hurdle race, any entry going around the jumps will be disqualified from that race.
- Races will be rerun only if the lure is caught or in the case of fighting, but in all cases, at the discretion of the judge.
- Entries engaging in fighting will be disqualified from racing for the remainder of the day. No refunds will be given.
- Entries must cross the finish line completely; the finish line is the back of the barrier. First to the hole is not necessarily first *through* the hole.
- Racing champions are determined by run-offs of the first place terriers in appropriate age and height classes. To be eligible to run in the Championship race, the terrier **MUST FINISH** both a flat and a hurdle race (reach the backside of the barrier unassisted). A terrier that is not entered and finished both flats and hurdles is not eligible to run in the Championship race. In this case, the 2nd place terrier becomes eligible to run in the Championship race, assuming it was entered and finished both classes. Dachshunds must finish their Flat race (Championship) unassisted.
- Other Terriers & Dachshunds may only enter Other terrier/Dachshund racing classes, except puppies. Parson Russells may enter Jack Russell classes.
- See General Rule #10 regarding a size protest. Measurements must be requested and completed 30 minutes prior to the start of racing.
- No cross entering between Yearling, Adult, Veteran or Senior racing classes.
- Yearling racing classes are on Friday night only, 1-6 ribbons awarded, no championships.
- No refunds will be given for missed classes. Pay attention, and if you need help handling dogs...ask for it.
- No racing entry may exceed 15".
- There is no entry fee for Championship Racing classes.

## **PPPIDC 2021 National Final**

At this time, we don't know if Carson Events is going to include Jack Russell Hurdle Racing in the 2021 PPPIDC National Final at Purina.

In the past, we have qualified 15 terriers to run with the 2 Regionals and the previous year's winner. Carson Events didn't have Jack Russell Hurdle Racing in the 2020 National Final. The previous winner was Hopewell Acres Blondie (2019) and, normally, she would be invited back by Carson and they'd have their two Regional winners. At the moment, Carson Events does not have any Regionals listed for 2021 on their website. We are very hopeful that they will have the 2021 National Finals at Purina this fall and that they will include Jack Russell Hurdle Racing.

## Division 2: Barn Hunt

May be entered multiple times, fastest time used for ribbon placement

In a simulated barn environment, can your dog find the hidden quarry in the fastest time? Only his nose knows for sure! Dogs of any breed are welcome to participate. Time begins when judge asks for dog to be released. One verbal command can be given at release; no other commands can be given until 30 seconds have passed. Judge will inform handler once the 30 seconds has been reached. Handler can follow terrier throughout the Barn Hunt area but cannot touch any of the props nor touch the dog. Once handler feels that the dog has found the location of the quarry, they must call time. If location is correct, then they will receive the time as displayed on the stop watch. If location is not correct, then the dog is disqualified. Once the maximum time limit has been reached, the judge will inform the handler that time has expired and dog is disqualified for that attempt. 2 minutes maximum time per dog. 1<sup>st</sup> & 2<sup>nd</sup> place winners in each class will be Champion & Reserve.

## Division 11: Stakes Barn Hunt

**Hours: Sunday 7:00am – 11:00am**

In a simulated barn environment, can your dog find the hidden quarry in the fastest time? Only his nose knows for sure! Dogs of any breed are welcome to participate. Time begins when judge asks for dog to be released. One verbal command can be given at release; no other commands can be given until 30 seconds have passed. Judge will inform handler once the 30 seconds has been reached. Handler can follow terrier throughout the Barn Hunt area but cannot touch any of the props nor touch the dog. Once handler feels that the dog has found the location of the quarry, they must call time. If location is correct, then they will receive the time as displayed on the stop watch. If location is not correct, then the dog is disqualified. Once the maximum time limit has been reached, the judge will inform the handler that time has expired and dog is disqualified for that attempt. Course has more obstacles than Barn Hunt. 2 minutes maximum time per dog

**Dog must be able to fit in a 15" tunnel.**
